GeoManitoba 2012

Winnipeg, Manitoba, Canada

Please read on to find out how you can benefit as a Sponsor of the Canadian Geotechnical Society's 65th Geotechnical Conference in Winnipeg, Manitoba this coming September 30-October 3, 2012.

CGS has a tradition of offering their sponsors good value for their investment. This was true again this past year in Toronto where we hosted delegates from around the world with our friends from the ISSMGE. Our well organized and comprehensive plenary, technical and trade exhibition program will ensure your company's name receives maximum exposure to this targeted audience of key industry leaders and decision-makers in the geotechnical field.

The following pages highlight the benefits to sponsors of **GeoManitoba 2012** at the various levels available. Platinum, Gold, Silver and Bronze include excellent exposure before, during and after the conference as well as complimentary delegate registration to the full conference. There are many single event sponsorships available from coffee breaks to luncheons to the popular Awards Banquet and Colour Night.

Choose an overall level of support to get the exposure you're looking for or combine a package with an event sponsorship to increase your firm's visibility during one of the very popular networking and social events. Prices begin at \$500, so there is a price point to suit all budgets.
